Dear Lowery Middle Parents/Guardians,

Ascension Public School System, along with each of its schools, engages in a continuous improvement process, of which all stakeholders are an integral component. Each of the district's school campuses will use the Cognia e-Prove Parent Survey as a means of eliciting parent opinion on areas of strength and areas in need of growth. The six sections on the survey represent areas of quality schools and school systems and provide a means for learning about parent opinions within these areas. We value your feedback and ask that you **please take the time to complete this survey by January 15, 2021.**

To access the survey, please go to the following link.

Your cooperation and support in completing the parent survey is greatly appreciated.

Respectfully,

Michael Hilton M.Ed  
Principal  
Lowery Middle School
